Dear Corey,

On behalf of the members and staff of the B'nai Brith Youth Organization I would like to thank you and all of the Dynamix staff for the amazing program that you ran for us at our Leadership training weekend.

The youth had a fantastic time and walked away having learned more about their individual leadership skills, as well as how to work as a member on a team.

We look forward to working together with Dynamix for many more years to come.

Thank you.
