Dear Corey,

Thank you so much for such an excellent retreat. The students were enthusiastic and learned a great deal about teamwork and leadership. We, the teachers also enjoyed being active participants.

You have helped us to create a memorable experience for the grade 11s to leave with and for that we are extremely grateful. You have hopefully begun a new trend at Centennial, which we will discuss more as we look at future excursions for all grade levels.

Please accept these gifts as a token of our appreciation for the work you and your counsellors did in making this trip such an event.

We wish you all continued success and the best of health.
