Dear Corey,

I would like to thank you, and your staff that came to Phoenix, for the great job you all did. As you know we start each new session with activities that are designed to build cooperation between the students. I found your program did just this. The activities your team selected were well run, enjoyable, and were cost effective.

As the teacher responsible for our orientation activities, I look forward to using your services again and explore new programs that might be beneficial to our school.

I would recommend the Dynamix team to any prospective client (corporate or educational) and would be please to share my experiences with them.

Yours truly,

Phil Lindquist  
Teacher/Orientation Coordinator
