Greetings,

I am writing to you to thank you very much for your work at The Study in the after school programme this year. I know that the students really enjoyed their Kidstruction Zone experience!!

Please find enclosed a gift from the parents that they asked me to pass on to the instructor - please pass it on to the appropriate person.

We look forward to welcoming you back to The Study in the future.

I wish you all a wonderful summer!

Antonia Zannis
Deputy Head of School
